

Stonelock Photography Wedding Collections Price List

We like to keep things simple and transparent with our pricing. The most important investment you are making is in our time, it takes a lot of effort and skill to create beautiful photos, both in the capture and in the post production.

You can either choose individual items from our price list to create your own bespoke package, or we've pre-designed these collections based on what couples usually want from their wedding photography.

COLLECTION ONE

- Two photographers, Ally & AJ, for up to eight hours on your wedding day.
- Approximately 300 carefully edited, print resolution digital photos on a USB for you to print and share. (The same images also supplied in screen resolution - 72dpi - suitable for web use).
- A 10x10 inch, 20 page, 50 image, hardback coffee table book.
- An online gallery to share with friends and family.
